Briefly describe below how you determined the numbers on the Participation Statistics Form (i.e by actual count, by survey, etc.)

This form was created with assistance from the United Arts Council of Raleigh and Wake County (UAC).

PARTICIPATION STATISTICS FORM
INSTRUCTIONS AND GLOSSARY OF TERMS

Click here to return to the Participation Statistics Form.

GENERAL INSTRUCTIONS

Complete the form for all arts programming for the last two completed fiscal years. **Note that statistics must be based on organizational data and not on census or municipal, county or state demographic information.**

GLOSSARY OF TERMS

Artists (paid and volunteer):

# of People: The number of individual paid artists/service providers for the fiscal year and/or the number of volunteer artists/service providers associated with the organization during that fiscal year.

Classes/Workshops for Adults:

# of Events: The number of distinct classes/workshops for each fiscal year. Do not multiply by the number of days a class or workshop runs. See example below.

# of People: The total number of participants for all classes/workshops for the year. See example below.

Example: Agency XYZ offers "Introduction to Dance" on Mondays and Fridays with 10 participants. They also offer the same class on Tuesdays and Thursdays with 10 participants. Count as two distinct classes with 20 total participants attending.

Classes/Workshops for Preschool & Grades K-12:

# of Events: The number of distinct classes/workshops for each fiscal year. Do not multiply by the number of days a class or workshop runs. See example above.

# of People: The total number of participants for all classes/workshops for the year. See example above.

Concerts/Performances:

# of Events: The total number of concerts/performances for each fiscal year. For theatrical productions use the total calculated by multiplying each production times the number of performances.

# of People: The total attendees for all concerts/performances.

Exhibitions:

# of Events: The total number of distinct exhibitions. Do not multiply by number of days each exhibition is open.

# of People: The total attendees for all days of all exhibitions.

Festivals:

# of Events: The number of distinct festivals. Do not multiply by number of days per festival.

# of People: The total attendees for all days of all festivals.

Residencies:

# of Events: The total number of residencies for each fiscal year. Do not multiply by number of days in residency.

# of People: The total number of students for all residencies.

Services: (For service organizations. All other organizations contact staff for further instructions.)

# of Events: The number of events for which services were provided.

# of People: The total number of people served or receiving services.

Special Fundraising Events:

# of Events: The number of distinct special fundraising events.

# of People: The total number of attendees for all special fundraising events.
