Drawing - Beginning

Pullen Arts Center

Age: 16yrs. and up. The definition of the word "drawing" is "the act of making marks on a picture plane." If you can write your name, you can draw. Students will learn drawing techniques such as contour, positive/negative space and value

and experiment with drawing materials such as pencils, Sharpies, charcoal, ink and conte. Students will draw natural and man-made objects and learn to break down complicated subjects into basic shapes. We will explore a variety of exercises and reference master drawings. This course provides a good foundation for all art classes. Supplies list provided upon registration. Instructor: Sue Soper or Peter Marin. (6 sessions)
Course Fee: \$85

Fibers - Shibori from Scratch

Pullen Arts Center

Age: 16yrs. and up.

This is an introductory or refresher course for learning the basics of shibori. Techniques will cover aspects of stitch (nui shibori), clamped resist (itajime), pole wrapping (arashi) and other cloth manipulations. We will also consider approaches to a few classic patterns and motifs. Cloth pieces will be dyed in indigo for the traditional blue and white patterning. A \$15 supply fee will cover expendable tools and dye material used in class, including needles and thread. Participants will bring their own cloth (cotton, linen, rayon or silk),

dish washing type gloves, small embroidery type scissors and appropriate protective clothing for the dye studio. Instructor: Susan Fennell. (2 sessions)
Course Fee: \$90

Glass - Dazzling Dichroic Glass Jewelry Workshop

Pullen Arts Center

Age: 16yrs. and up. This workshop will teach you to create gorgeous dichroic glass jewelry pieces using a small tabletop kiln. Using three thin layers of glass, you will design three pieces of jewelry (two pendants and a pair of earrings, hairpins or cuff links). This workshop provides hands-on instruction using small kilns, dichroic glass inclusions, findings and instruction on finishing the pieces for your personal use. All glass pieces will be either pre-cut or can be cut for you by the instructor during class. A wide variety of Dichroic glass will be provided for you to choose from. You will be amazed at what you can create in just a few hours! Closed-toed shoes must be worn in the glass workshop, and students should bring a lint-free microfiber towel. Supply fee of \$30 will be payable to the instructor at the beginning of the class. Additional pieces may be made (if space is available in the kilns) for an additional \$10/ piece. Instructor: Lauri Rhoades. (2 sessions)

Glass - Fusing & Slumping Open Studio

Pullen Arts Center
Age: 16yrs. and up. Open studio time allows you to work on fused glass projects and collaborate with your fellow glass artists. Students must have at least a beginner's understanding of glass fusing prior to joining this class. The instructor will be on site and available to answer questions, but there will be no formal lessons during this class. All glass used in this class must be Bullseye brand fusible glass (COE90). Students will have equal kiln space available during each class (approximately 192 sq. in.) and their projects must fit within these parameters. Larger pieces or high volume work will be completed at the instructor's discretion. Students will have access to frit and molds, but all other supplies and tools must be provided by the student. Students must wear closed-toed shoes in the glass studio and should plan to bring or purchase a lint-free microfiber towel. Prerequisite: Any fusing class or fusing/slumping class at the Pullen Arts Center. Instructor: Linda Martin. (5 sessions)
Course Fee: \$104

Glass - Glass Fusing Technique Tester - Intermediate

Pullen Arts Center
Age: 16yrs. and up. This class is for students who have already taken the Intro to Glass Fusing class at Pullen Arts Center. It will focus on two intermediate level techniques to use in your glass fusing: trapping bubbles using stringers to add dimension or extra sparkle to your project and kiln carving using texture molds or cut fiber paper to add dimension and interest to your fusing. We will discuss other methods of kiln carving that you might want to try on your own. These techniques will be explored in small projects at first (think coaster-size tiles) and will culminate in one larger piece using your preferred method. Closed-toed shoes must be worn in the glass studio, and students should plan to bring or purchase a lint-free microfiber towel. Instructor:

Lauri Rhoades. (5 sessions)
Course Fee: \$104

Glass - Intro to Fused Glass

Pullen Arts Center
Age: 16yrs. and up. This course will introduce you to the exciting art of warm glass fusing and slumping. Students will use Bullseye brand art glass, stringers and frit to create tiles and small dishes. Instruction will cover all the basics of glass cutting, fusing and slumping. Students' designs will be fused in a kiln and then go through the process of slumping, the controlled shaping of glass to create functional glass pieces. The results will be small dishes, plates and bowls. Students will work at their own speed to create designs up to a maximum of 12 x 12 inches. All slumping will be completed on molds provided by Pullen Arts Center. All tools are provided. Students will need to purchase glass for their projects (starting at approximately \$30, depending on the size and number of projects). Students must wear closed-toed shoes in the glass studio and should plan to bring or purchase a lint-free microfiber towel for the class. Instructor: Linda Martin or Melanie Stoer.

Glass - Non-guided Open Studio

Pullen Arts Center
Age: 16yrs. and up. This is an opportunity for experienced glass students to have access to Pullen Arts' molds and kiln to further develop skills learned in prior Glass Fusing and Slumping classes. No instruction will be provided in this class, so students must have completed at least two glass fusing classes at Pullen Arts prior to joining the Non-guided Open Studio class. A studio monitor will be on site to ensure safe studio practices are used and to load/unload the kiln, but there will be no formal lessons during this class. All glass used in this class must be Bullseye brand fusible COE90 glass. Students will have access to molds, glastac, glass cleaner, grinder and safety glasses, but all other supplies (including frit, cutter, running pliers, and grozier pliers) must be purchased by the student. Only works created during class time that are 12 x 12 or smaller will be fired. Prerequisite: At least two prior fusing and slumping classes at Pullen Arts. Studio monitor: Linda Martin. (1 session)

Jewelry - Fluid Form and Creative Color

Pullen Arts Center

Age: 16yrs. and up. This workshop will allow students to quickly and easily translate floral shapes into three dimensional forms in light gauge copper suitable for enameling and coloring processes. Students will utilize basic forming techniques using delrin mallets, carved wooden stakes, pliers and their hands. The overall goal is to give students confidence in forming allowing them to create while fully embracing the third dimension. Students will create a finished brooch, pendant or earrings. In addition to enamels, fun whimsical and immediate coloring techniques will be introduced with a variety of acrylic paints, Prisma color pencils, nail enamel and rub-n-buff metallic pigments. Students will be able to color their pieces through a single technique or a combination of techniques with their own unique aesthetic sensibility and color palette. Annealing, soldering, sawing and filing skills are recommended but not required. A variety of skill levels are welcome. Instructor: Allison Pack (2 sessions)

Jewelry - Rings and Stone Settings

Pullen Arts Center

Age: 16yrs. and up. This class will explore jewelry design, fabrication, stone setting and assembling techniques that are related to the ring concept. Aesthetic value of jewelry comes from the artist's imagination and execution rather than the size of the stone or value of the metal. We will fashion rings of personal importance, expression and adornment. This class will center around lecture and demonstration with plenty of time for individual attention. We will attempt to create jewelry that is unpredictable, honest, visually complex, bold, confident, simple and beautiful. Basic metalworking skills required. Instructor: Tim Lazure. (2 sessions)
