Printmaking Classes

Printmaking - Reduction Block Printmaking

Age 16 yrs. and up.

In this class we will work on carving one 9 x 12' mounted linoleum block. In this process, colors are created by carving the block, printing the block, then carving away more of the block in order to build up layers of color. This way we will create prints with four to six different colors using the same linoleum block. This technique was pioneered by Picasso, and allows easier registration of multiple color block prints. Some linoleum block carving experience recommended. Supply list included with receipt. Instructor: Keith Norval. (6 weeks).
