RCAC Neighborhood Recognition Awards Nomination Form

Awards Description

Since 1977, the Raleigh Citizens Advisory Council (RCAC) has been recognizing significant efforts by property owners, community groups and individuals to enhance the health, safety, and appearance of their neighborhoods. Annually, the RCAC asks each individual CAC to select one award winner to be honored. The awards are designed to acknowledge those unsung heroes who work without thought of praise to make our communities better at the grassroots level. And in so doing, elevate the quality of our lives and that of our city.

This year's recognition ceremony will occur on Wednesday, October 18, 2017.

Nomination Categories

1. Residential property or privately-owned, small business property that has made a significant impact on the quality of life within your CAC
2. Educational institution or non-profit organization that has partnered with a neighborhood group or organization
3. Community service project within your CAC district
4. An individual who has contributed significantly to the well-being of your CAC community.
5. A grassroots organization or neighborhood-based group within your CAC

Award Selection Criteria

The individual CACs use the following evaluation criteria when reviewing and selecting their honoree. How well did the project/person/business/group improve the neighborhood by:

- a) Enhancing the visual environment
- b) Preserving the character of the area
- c) Improving buildings, landscaping, or signage
- d) Preserving or enhancing the natural environment
- e) Contributing to the community and neighborhood initiatives

The RCAC will review all selected honorees at its September meeting.
