Don't miss out - Join the CAC email list

It's easy! Just send an email to FivePointsCAC-subscribe@yahoogroups.com
You can use any email provider; you don't need a Yahoo address.

Confirm the email that you receive back and that's it. Then you're connected with hundreds of your neighbors and get information about Five Points and key City projects.

Join the CAC Facebook page

Get news about goings-on around town. www.facebook.com/fivepointscac

Have an idea? Comment?

Please contact one of the Five Points officers listed at the left. We'd love to hear from you!

What is the role of the CACs?

Citizens Advisory Councils give citizens a voice in City government, educate citizens about important issues affecting the citizens of Raleigh, and serve as an advisory group to the Raleigh City Council.

There are 19 CACs in Raleigh and all residents within the CAC boundaries are encouraged to participate and attend community meetings. Residents of the CAC are eligible to vote on issues before the CAC. CACs are nonpartisan. CACs are the only advisory boards to the City Council that are not appointed by the Council.

For more information, go to the City's website, www.raleighnc.gov, and search "CAC"

Flood-prone Properties Restored to Green Space

The City of Raleigh's Stormwater Management Division has had many successes over the last year through its participation in the Federal Emergency Management Agency's (FEMA) Flood Hazard Mitigation Grant Program. The program provides funding to the City when it purchases properties, like Capital Inn on Capital Boulevard in Raleigh, that experience ongoing flooding as result of being built in the floodplain prior to current development regulations. After a property is purchased, the area is restored to green space so that the floodplain functions more naturally. This reduces flooding in the area and improves public safety. Participation in the program is voluntary. Some projects may also be funded through the City's Stormwater Utility. To learn more visit raleighnc.gov and enter the search term "Flood Hazard Mitigation".

Love Your Stream? Keep it Clean!

Do you find trash or other waste in your neighborhood streams? You can help the City of Raleigh's Stormwater Management Division keep them clean! There will be a stream clean up at Biltmore Hills Park, 2615 Fitzgerald Drive in Raleigh on Saturday, Oct. 21 from 8:30 – 11 a.m. This stream cleanup will help protect and make creeks in Biltmore Hills Park more beautiful. This event is open to the public and clean up materials are provided. Register online at raleighnc.gov by entering the search term "Stream Clean Up"
