About the Southeast CAC

The Southeast Citizens Advisory Council is one of 19 CAC's that help connect citizens to the City of Raleigh government. Every Raleigh resident who is age 18 or older is automatically a voting member of a CAC.

When you participate in your CAC, you learn what is happening in your community and have the opportunity to influence local decisions.

CACs are the only advisory bodies to the Raleigh City Council whose members are not appointed by the Council. CAC members elect their own officers.

The City of Raleigh Housing and Neighborhoods Department provides staff support and other assistance to CACs. If you have questions or concerns, please contact your Community Specialist, Jonathan Edwards, at (919) 996-5712 or email him at: jonathan.edwards@raleighnc.gov.

RCAC Neighborhood Recognition Awards are designed to acknowledge those unsung heroes who work without thought or praise to make our communities better. Cheryl Caldwell nominated Angela Cameron and Sholonda Llyod for the award They were nominated for the work they did to organize donations for the family that was burned out on Barwell Road. This is a example of the community activity we would like to encourage "neighbors helping neighbors". Both nominees were approved and will represent the Southeast CAC at the ceremony on Wednesday, October 18, 2017.

Floodprone Properties Restored to Green Space

The City of Raleigh's Stormwater Management Division has had many successes over the last year through its participation in the Federal Emergency Management Agency's (FEMA) Flood Hazard Mitigation Grant Program. The program provides funding to the City when it purchases properties, like Capital Inn on Capital Boulevard in Raleigh, that experience ongoing flooding as result of being built in the floodplain prior to current development regulations. After a property is purchased, the area is restored to green space so that the floodplain functions more naturally. This reduces flooding in the area and improves public safety. Participation in the program is voluntary. Some projects may also be funded through the City's Stormwater Utility. To learn more visit raleighnc.gov and enter the search term "Flood Hazard Mitigation".

Love Your Stream? Keep it Clean!

Do you find trash or other waste in your neighborhood streams? You can help the City of Raleigh's Stormwater Management Division keep them clean! There will be a stream clean up at Biltmore Hills Park, 2615 Fitzgerald Drive in Raleigh on Saturday, Oct. 21 from 8:30 – 11 a.m. This stream clean up will help protect and make creeks in Biltmore Hills Park more beautiful. This event is open to the public and clean up materials are provided. Register online at raleighnc.gov by entering the search term "Stream Clean Up"
