The park property is over 100 acres in total size, and currently features a wide variety of recreational amenities including a community center, picnic shelter, baseball field, multipurpose field, playground, an inline hockey rink and a skate park. The disc golf course will be built primarily on the parcel east of the existing community center, playground, and parking lot (Parcel ID Number: 1735043440). This portion of the property consists of approximately 40 acres of vacant, mostly wooded land with elevations ranging from 320 to 250 feet.
