Dear Adult Program Traveler:

The Adult Program is very excited to share 2016 Holland Windmills & Rhine River Castles Cruise trip information. We will travel with Premier World Discovery, a great company that provides excellent customer service and has led several trips for the Adult Program.

Our Premier Representative, Amanda, is offering a River Cruise trip informational meeting on **Thursday, May 5, 2016 starting at 5:30pm** at the Anne Gordon Center for Active Adults, 1901 Spring Forest Road. Please join us and watch Amanda present slides of the sites on the trip and answer questions, you do not have to register to attend. If you are unable to attend this meeting and want more information or have questions, please contact me by phone or email.

If you are interested in finding a roommate for this trip, please contact the Adult Program staff. Once we have another person seeking a roommate, we will share your information with each other. We then ask for the two of you to meet and make sure it will be good fit to room together. If you agree to be roommates, both of you must contact us and include the information on your registration forms.

When filling out your registration form, please remember to use your name as it appears on your passport and include your birthdate. If you do not have a passport please use your legal name that will appear on the passport once you obtain it. Your passport must not expire within 6 months of the travel dates, October 7 – 17, 2016. Please note on the form if you go by another name in "parenthesis".

We look forward to traveling with you.
