The City of Raleigh

Kaplan Drive and Lorimer Road
Road Closure Announcement

The City of Raleigh would like to inform the residents living in the area of Kaplan Drive and Lorimer Road that this intersection will be closed starting the week of July 6, 2015, and will remain closed for the duration of the month.

The first stage of the Kaplan Drive Traffic Calming Project involves raising the Kaplan Drive and Lorimer Road intersection, which needs to be completed prior to the start of the 2015/2016 school year. For this work to be completed the City will need to close that section of the Kaplan Drive corridor. The detour will be marked and there is a detour map on the back of this announcement.
