Re: **Sidewalk Petition #2013-0008 – Yadkin Road**

Dear Property Owner:

The City of Raleigh has received a request to construct a sidewalk along **Yadkin Road** from **Northbrook Drive northward to the end (cul-de-sac)**. In order for this request to be considered, city policy requires the approval of seventy-five percent (75%) of the abutting property owners. If you are in favor of the proposed sidewalk, please complete and sign the enclosed petition form and return it using the enclosed return envelope by **March 21, 2013**. A Scanned copy of the form can also be sent via email to AssessmentSpecialist@Raleighnc.gov, or via fax at 919-996-7165.

Property owners will not be required to pay an assessment for the sidewalk. However, there may be impacts to abutting properties where they border the street right of way. In some cases, construction of the sidewalk may require that easements be acquired from abutting property owners. Details of what areas may be impacted, and where easements may be needed will not be known until the sidewalk has been designed.

If the petition is successful, the proposed sidewalk will be ranked against other successful petitions for sidewalks in residential neighborhoods. The timeline for construction of the sidewalk will depend on this project's ranking and available funding. After funding becomes available, property owners will be invited to a design meeting at which time they will be given the opportunity to provide input on the sidewalk's design. A decision on the location of the sidewalk will occur during the design process.

Again, please return the enclosed form by **March 21, 2013**. If you have any questions regarding this petition or the petition process, please feel free to contact an Assessment Specialist at (919) 996-3030. Information is also available at www.raleighnc.gov, search: "sidewalk petition program."
