RE: Laurel Hills Lake Dam and Spillway Rehabilitation Project – Public Meeting

Dear Laurel Hills Dam Resident;

The City of Raleigh would like to meet with you to discuss the current status of the Laurel Hills Dam Project. Some of you may be aware that the City implemented new policies regarding roadway improvements. The policy requires that Laurel Hills Road be widened along with the installation of curb and gutter and sidewalks across the top of the dam. City staff and several of the residents closest to the Laurel Hills Dam have met to discuss these new requirements. We would like to present the revised design to you and your neighbors.

The City will hold a meeting to discuss the Laurel Hills Dam project on Monday, July 27, 2015 at 6:30 PM at the Laurel Hills Community Center, 3808 Edward Mills Road, Raleigh, NC 27612.

I look forward to seeing you at the upcoming meeting. If you have any questions, require additional information, or are unable to attend this meeting, please feel free to contact me at (919) 996-4068 or [carrie.mitchell@raleighnc.gov](mailto:carrie.mitchell@raleighnc.gov).

Sincerely,

Carrie Mitchell, PE  
Project Manager

C: Veronica High, PE – Infrastructure Projects Manager
