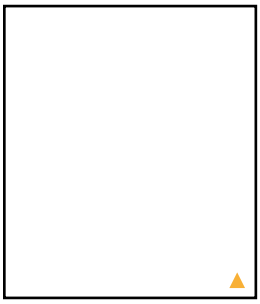
HOW TO ASSEMBLE YOUR PASSPORT

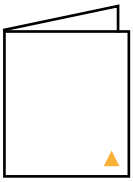


1

Place the printed page in front of you with the triangle, square, circle or diamond in the lower right corner.

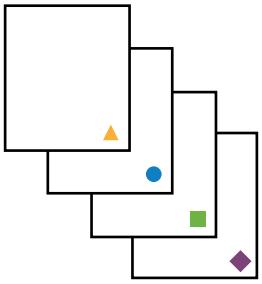
2

One page at a time, fold the top down and back so you can still see the shape in the lower right corner.



3

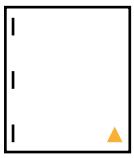
Fold the left side back and to the right so you can still see the shape in the lower right corner.



4

After you've folded all 4 pages, place them in the following order:

Top page has ▲ in the lower right corner.
Second page has ● in the lower right corner.
Third page has ■ in the lower right corner.
And the bottom page has ◆ in the lower right corner.



5

Line them all up and staple them together!
