

Wilkerson Nature Preserve AWL Education Center

Come visit the recently renovated home of Dr. Annie Louise Wilkerson.

Open House Weekends

Join us for an open house every Saturday and Sunday in March from 2-4 pm!

Learn how we plan to use the AWL Education Center to enhance Dr. Annie's vision for the park through nature study, wildlife education, and research into methods of conservation.

Educator Tours

We invite formal and informal educators to join us to learn how our environmental education programming and the AWL Education Center classrooms and exhibits can meet your group's educational needs. A nature activity for children will be provided during the adult-centered tour. Please register online at parks.raleighnc.gov. Activity and tour are free.

Thursday, March 26	4:00-5:00 pm	Barcode #169081
Tuesday, April 28	6:30-7:30 pm	Barcode #169082

To schedule a private group of educators tour, please contact the Assistant Park Manager at 919-996-4766 or Bryan.England@raleighnc.gov.
