

Nature Education

Lake Johnson Park

NC CATCH (Caring for Aquatics Through Conservation Habitat)

This adult environmental education program is offered by the N.C. Wildlife Resources Commission. As a free educator workshop, adults learn how to present activities to ages 8-15 on topics such as identification of North Carolina fish species, fish adaptations and biology, habitat requirements, fishing skills, water safety and conservation ethics.

Date and Time: Saturday, June 27; 9AM-4PM

Barcode: 170909

Fee: Free

Age: Adults

Location: Lake Johnson Conference Room

Mushrooms 101

Have you ever wondered what that mushroom or fungus was growing in your yard?

Join us for an introductory course on fungi where you'll gain the skills to start identifying the mushrooms around you. There will be a short indoor talk to go over the main groups of fungi, terminology, and ways to identify them. Afterward, we will go out and try our hand at identifying in the field.

Date and Time: Saturday, July 25; 9 - 11AM

Barcode: 173822

Fee: Free

Age: Adults

Location: Lake Johnson Magnolia Cottage (1500 Lake Dam Road, Raleigh, NC 27606)
