

Free to the Public: StormFest 2011

June 18, 2011, 9am – 5pm

NC Museum of Natural Sciences
11 West Jones Street
Raleigh, NC

Interested in weather, hurricanes, and emergency services? Come meet the experts and participate in activities with the following agencies;

National Weather Service, WRAL, ABC11, NBC17, News14, Red Cross, SKYWARN, Amateur Radio Emergency Services, State Medical Assistance Team, Urban Search and Rescue, State Veterinary Emergency Response, Wake County Emergency Management, Highway Patrol, National Guard, NC Baptist Men, WakeMed, Rex Healthcare, local fire departments and more.

StormFest is a unique opportunity to come meet your favorite weather personalities, try your skills in front of the camera, participate in weather experiments and learn about severe weather in our area from the weather and emergency response officials. Many of the emergency vehicles and agencies deployed during disasters will be on display.

Schedule of special presentations in auditorium;

10:30 AM	“Ask the Experts” discussion with morning meteorologists Elizabeth Gardner (WRAL), Don Schweeneker (ABC11), Bill Reh (NBC17) and Lee Ringer (News14).
12:30 PM	North Carolina Hurricane History with Jay Barnes
2:00 PM	“Ask the Experts” discussion with the chief meteorologists Greg Fishel (WRAL), Chris Hohmann (ABC11), Wes Hohenstein (NBC17) and Gary Stephenson (News14).

For more information, contact Jeff Orrock, Raleigh NWS Warning Coordination Meteorologist, at Jeff.Orrock@noaa.gov or (919) 515-8209 ext.223.

Schedule of special presentations in Windows on the World;

9:45 AM	Story Time
11:00 AM	What You Need to Know About Family Preparedness (Red Cross)
1:00 PM	VORTEX2 – Storm Chasing
3:30 PM	What You Need to Know About Family Preparedness (Red Cross)
