Age: 16yrs. and up. Join us for another exciting hands-on workshop as we learn the art of ceramic image transfer. Tanya Casteel, owner of Cephalopod Ink Ceramics, will teach us

She transforms these drawings into iron oxide decals and fires them onto glazed pots at cone 04, which permanently stains the glaze. Each piece is kiln-fired three times and is safe for food, microwave and dishwasher. Tanya was a regional emerging artist in residence in 2011 at Artspace, and received a United Arts Council grant in 2013. (3 sessions)
