Sibshops

Jaycee Community Center
 Age: 6-12yrs. This activity is for siblings of individuals with developmental disabilities. Sibshops acknowledge that being the brother or sister of a person with special needs is for some a good thing, others a not-so-good thing, and for many, somewhere in between. They reflect a belief that brothers and sisters have much to offer one another if they are given a chance. Sibshops are a spirited mix of new games (designed to be unique, off-beat, and appealing to a wide ability range), new friends, and discussion activities. For more information on this activity please contact Jennifer Tabery at 807-5402. Class Fee: \$15
