### Mordecai Historic Park

The Mordecai House at Mordecai Historic Park is the oldest home in Raleigh on its original location and houses a fine collection of early southern decorative arts. Historically,

the Mordecai House was the seat of one of the largest plantations in Wake County encompassing more than 5,000 acres. The park also features historic structures moved to Mordecai for preservation, including the Birthplace of Andrew Johnson and St. Mark's Chapel. The Chapel and grounds are a popular spot for wedding rentals. Tours of the Mordecai Mansion and other historic buildings are offered Tuesday through Sunday, the cost is \$5 for adults, \$3 for youth (7-17), \$3 for seniors (65+), and children 6 and under are free. In addition, Mordecai conducts family friendly events throughout the year. For four times and other information call 857-4364.

### The Tucker House

The Tucker House was built in 1914 for Garland S. Tucker, owner of G.S. Tucker Furniture Company. The home was donated to the City of Raleigh by the Tucker Family in 1975. At that time, the home was located one block west, at 420 N. Blount Street. It was moved to its present site by the City and renovated as a Community Meeting House. Many house furnishings have been donated by families of deceased members of the Oakwood Community. Today the downstairs portion of the Tucker House is available for weddings, receptions, meetings, small conferences and other approved functions. For more information contact Elaine Ford at 831-6009 or Steve White at 831-6851.

### The Borden Building

The Borden Building is one of the two remaining buildings on the former campus of the Methodist Home for Children. Built in 1900, it was the home of the Superintendent of the Orphanage and later served as home to hundreds of children. Purchased by the City of Raleigh in 1982, the house and its

### Boat Rentals

A variety of motorized and non-motorized boats are available for rent at each of the Raleigh Lakes (weather and temperature conditions permitting) (see below). At least one person in the boat must be 16 or older. Availability of boat types varies

at each lake facility. Please contact each facility for additional information.

#### Jon Boats

\$4/hour w/o motor  
\$20/all day w/o motor  
\$10/hour w/motor  
\$50/all day w/motor

#### Pedal Boats

\$6 per 1/2 hour  
\$8/hour

#### Canoes/Kayaks

\$5/hour

#### Sunfish Sailboats \$10/hr

\$10/hour (\$20 deposit -  
1 person must be at least 18)

**For Boat Rentals Please Note:** Individuals desiring to rent a jon boat may bring their own electric motor (gas motors are prohibited at Lake Johnson, Shelley Lake, and Lake Benson). Individuals desiring to rent a Sunfish Sailboat must first demonstrate proof of experience. Inexperienced users will not be permitted to rent a sailboat.

#### Factors Affecting Boat Rentals:

**Inclement Weather.** Upon first hearing of thunder or notice of lightning, all rental boats will be required to return to the waterfront center. In addition, rental boats will not be rented during inclement weather. Boat rental operations may again take place 30 minutes after a storm has passed. High winds resulting in small white cap conditions will preclude boat rental operations from taking place. Again, it is a good idea to call ahead to determine current conditions.

#### Winter rentals (Jon boats and Pedal boats only):

Boat rentals from November through March will be based on the 100 degree rule, which was taken from the Coast Guard method of analyzing hypothermia scenarios. Both the water and air temperatures will be taken on a daily basis. If both temperatures combined add up to 100 degrees or more, then boat rentals will be allowed. If the combined water and air temperatures fall below 100 degrees, then no boat rentals will be conducted. Please call park office for daily conditions.

### Private Boat Launchings

Lake Wheeler and Lake Johnson only  
\*Season boat launch passes can be used at Lake Johnson (non-motorized and non-trailerred boats only) and Lake Wheeler.

### Lake Johnson

Privately owned boats (non-trailerred and non-gas powered) may be launched at Lake Johnson upon payment of a nominal mandatory launch fee (see below). Private boats may be launched anytime between sunrise and sunset, Tuesday-Sunday (October-March), at Lake Johnson unless the park has been closed due to a city-wide special event. Any park/lake closing will be announced in advance. Boats must be off the water 15 minutes prior to sunset. Boats may be launched at the designated area located on the beach. Boats shall not be launched from private property surrounding the lake. Vehicles driving towards the lake should halt at the loading zone sign adjacent to the Waterfront Program Center and proceed to the concession area where the launch passes can be purchased.

### Lake Wheeler

Powerboats of most types, along with all non-motorized craft may launch at Lake Wheeler. It should be noted however, that personal watercraft (PWC's)—a formal term used to describe jet-ski type of boats—are not allowed to launch at Lake Wheeler as per City of Raleigh Ordinance. In addition, Lake Wheeler has also enacted (per City Ordinance) limited no-wake hours from sunrise to 11:00am on Tuesdays, Thursdays, and Saturdays year-round. Boats of all types (with the exception of PWC's) may launch during these no-wake hours however, the operators of these boats must operate their craft in a manner that will not create sizeable wakes. These limited no-wake hours were enacted to afford a variety of very small fishing boats and non-motorized boat users the opportunity of using the lake without fear or concern for dangerous wakes that can interrupt recreational activities.

Private boats may be launched anytime between sunrise and sunset, 7-days a week, year-round, at Lake Wheeler unless the park has been closed due to a city-wide special event. Any park/lake closing will be announced in advance. Boats must be off

**Lake Wheeler Private Boat continued** — the water 15 minutes prior to sunset. All boats must launch by the designated launching docks. Boats may not launch from any other area along the lake to include the old Penny Road launch area, nor can boats launch from private property surrounding the lake. Boaters should first halt at the stop sign adjacent to the Waterfront Program Center and then proceed to the concessions area to pay launch fees.

## Fishing Tackle Loaner Program

Want to have fun like you've never had before? Go fishing! Whether you're 8 or 88 years young, you can borrow a rod and reel from us for FREE; just like checking out a book at the library. When a participant signs up for the program and completes the registration form, the participant will be issued a permanent rod and reel loaner card and may check out a rod and reel for a certain amount of time. The card must be kept in the park office while the participant is borrowing the equipment. If equipment is not returned or returned in poor condition, they will lose their card and benefits.

The program is designed to introduce children and adults to the wholesome outdoor activity of angling. Currently, 27

states take part in the Program. It allows kids and adults to go fishing anytime of the year, regardless of experience or amount of personal equipment.
