What is the role of the CACs?

Citizens Advisory Councils give citizens a voice in City government, educate citizens about important issues affecting the citizens of Raleigh, and serve as an advisory group to the Raleigh City Council.

There are 19 CACs in Raleigh and all residents within the CAC boundaries are encouraged to participate and attend community meetings. Residents of the CAC are eligible to vote on issues before the CAC. CACs are nonpartisan. CACs are the only advisory boards to the City Council that are not appointed by the Council.

For information, go to the City's website, www.raleighnc.gov, & search "CAC"
