Happy New Year everyone!

We do not have any presentations or other business for the agenda, so there is **NO Meeting for January**. We will have our first meeting of 2020 in February.

City of Raleigh News

Project Share *Neighbor Helping Neighbor*

We all know that water is essential to almost everything we do. But for many of our neighbors, it's a struggle to pay the monthly water bill. Here's where Project Share comes in. Through Project Share, utility customers can donate any amount of money and 100 percent of their donation will be used to help customers who are unable to pay their water bills. Thank you for helping to ensure that everyone in our community has access to critical water service. Project Share is a program of the Public Utilities Department, also known as Raleigh Water.

Ways to Contribute

- Monthly on your utility bill [Self Service Bill Pay]; or by contacting us at Customer Care or 919-996-3245
- Mail a check to: P.O. Box 590 Raleigh, NC 27602
Please make the check out to City of Raleigh and write "Project Share" in the subject line.
