Raleigh Police Department Report

Officer Jacobson from NW Raleigh Police Department updated residents on the recent events from the last 30 days. There has been an increase in residential break-ins. Suggestion for keeping yourself and your property safe:

1. Deadbolts on doors
2. Windows locked especially on the first floor of your home
3. Get to know your neighbors, exchange phone numbers, create the buddy system
4. For insurance purposes and for the police, take pictures of expensive items
5. Keep the outside of your homes well lit, spot lights or motion lights to deter criminals
