Dear Adult Program Traveler:

The Adult Program is very excited to share the 2016 Oregon's Scenic Wonders trip information. We will be traveling with Christian Tours for this exciting trip. This company has come to us with high recommendations from several partners of the Adult Program. Our Christian Tours representative, Tami Sanders has worked diligently with me to create a trip to meet our interest and expectations.

Enclosed you will find the trip flyer with a list and description of the day to day activities, on the back of the flyer you will find the registration form. All payments will be made to Christian Tours but payment and forms will be submitted to the Adult Program. Registration forms are now being accepted for this trip. Payments will not be processed until we send in our group's registration forms to Christian Tours.

Our representative, Tami, is offering an Oregon's Scenic Wonders trip informational meeting on Thursday, March 24, 2016 at 3pm at the Anne Gordon Center for Active Adults, 1901 Spring Forest Road. Please join us and watch Tami present slides of the sites on the trip and answer questions. You do not have to register to attend. If you are unable to attend this meeting and want more information or have questions, please contact me by phone or email.

This trip is open to everyone so please share this information with your friends and family. We work directly with the tour company and patrons who live outside of Raleigh as even North Carolina may join us on our trips. If you have someone that is interested in joining us on this trip please have them contact me directly.

If you are interested in finding a roommate for this trip, please contact the Adult Program staff. Once we have another person seeking a roommate, we will share your information with each other. We then ask for the two of you to meet and make sure it will be good fit to room together. If you agree to be roommates, both of you must contact us and include the information on your registration forms.

When filling out your registration form, please remember to use your name as it appears on your government issued ID and include your birthdate. Please note on the form if you go by another name in "parenthesis".

We look forward to traveling with you.
