If the student already has Artist Grade paints of different colors or sizes of watercolor brushes similar to those suggested bring those to the first class. So if you already have a warm red you don't have to buy the specific Brand and color listed below. We will be discussing paints and brushes at class.

Buy only Artist grade paints. Student grade paints have more fillers and do not perform as well. It is a better value to buy Artist grade paints and get better results. Ask the workers at the store if you aren't sure.
