WELCOME

The City of Raleigh welcomes you to the public meeting to discuss proposed sidewalk improvements on the south side of Ramblewood Drive between Lassiter Mill Road and Allister Drive.

This is a meeting sponsored by the City of Raleigh to discuss the proposed improvements, to answer questions, and to gather public comments on the project. Please feel free to review the project maps displayed and to ask questions of members of the City of Raleigh staff.

The project maps are available to view from 6:00 p.m. to 7:00 p.m. Project members will be available to discuss the project with you during this time.

YOUR INPUT IS IMPORTANT

We value your contributions to the projects. You are encouraged to complete the attached comment sheet today and leave with a City staff member, mail your comments to the address on the comment sheet, or e-mail to the appropriate project manager identified later in this handout. We request that you provide your input by May 10, 2016, in order for your comments to be incorporated into the planning process.

PROJECT DETAILS

- Location: The project is located on Ramblewood Drive from Lassiter Mill Road to Allister Drive. See attached map.
- Description of Project: The project involves installing concrete sidewalk, curb ramps, and relocating existing water meters in conflict with the proposed sidewalk.
- Need/Benefit: Completion of the sidewalk will increase pedestrian safety and enhance mobility along the corridor.

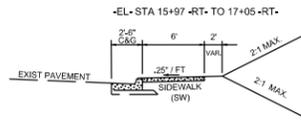

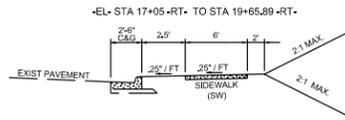

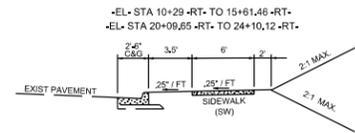

UPCOMING ACTIVITIES

- Comments from today's meeting will be carefully reviewed and incorporated into the final design where possible.
- Acquire right-of-way and easements necessary to construct the project.
- Construction is anticipated to begin in Early 2017.
- Complete construction of the project by Fall 2017.
