RE: Swann Street Drainage Improvements Project – Phase 1 – Public Meeting

Dear Resident(s);

The City of Raleigh Stormwater Management Division is hosting a public meeting to discuss the current status of the Swann Street Drainage Improvements – Phase 1 project. The City's consultant, WK Dickson, has finalized their evaluation of the existing drainage system and has developed a series of drainage improvements to mitigate future flooding for the Phase 1 extents of the project. At this meeting, the City will be soliciting your feedback and concerns with the presented study findings and the recommended drainage improvements. The City encourages your participation in the meeting and values your time and feedback.

The meeting will be held on **Wednesday, July 20, 2016 at 6:30 PM at the Glen Eden Neighborhood Center located at 1500 Glen Eden Drive, Raleigh, NC 27612**. We look forward to seeing you at the upcoming meeting. If you have any questions, require additional information, or are unable to attend this meeting, please feel free to contact me at (919) 996-4074 or david.kiker@raleighnc.gov.

Sincerely,

David Kiker, PE
Project Manager
