

Explorer Backpacks

Explore Wilkerson Nature Preserve on your own time!

Stop by the park office and check out one of our Explorer Backpacks for children with a complete explorer kit: binoculars, compass, bugnoculars, field guides, nature scavenger hunt, and more! Discover insects, birds, reptiles, amphibians, animal tracks, rocks, trees and other aspects of local nature. Observe and explore on your own, but please leave the animals, plants and rocks in their homes!

Explorer backpack kits are available first come, first serve whenever the park is open.
