

Fire & Shelter

Would you know what to do if you were stranded in the woods? An instructor will teach you how to build a fire and create shelter to stay safe and warm in the back country.

This is a hands-on, fun program that takes place entirely outdoors to mimic real life scenarios.

Please dress for the weather and wear comfortable closed toe, walking shoes.

Date:

July 23, 2016
9AM-12PM

Ages: 8 – 12
years

Location:

6404 Lake
Wheeler Rd
Raleigh, NC
