Dear Adult Program Traveler:

The Adult Program is very excited to share with you our 2015 San Antonio, Texas trip information. We have chosen to travel with Premier World Discovery for this trip. We have traveled with Premier for several years and on many trips and they are a great company to work with. They provide great customer services and really care about the patrons that travel with them.

Enclosed you will find the trip flier with a description of our day to day list of activities. On the back of the flier you will find the registration form for the trip. All of the payments are made to Premier World Discovery but go through the Adult Program. Registration forms are now being accepted for this trip however; your payments will not be processed until we send in our group's registration forms.

Our Premier Representative, Amanda, is offering a San Antonio trip informational meeting on Thursday, July 9th at 2:30pm at the Anne Gordon Center for Active Adults, 1901 Spring Forest Road. You do not have to register to attend this meeting. Simply come out and watch Amanda present slides of the sites we will be visiting and answer all of your questions. If you are unable to attend this meeting and want more information, or have questions, please feel free to contact me by phone or email.

If you are interested in finding a roommate for this trip, please contact the Adult Program staff. Once we have another person seeking a roommate, we will share your information with each other. We then ask for the two of you to meet and make sure it will be good fit to room together. If you agree to be roommates, both of you must contact us and include the information on your registration forms.

When filling out your registration forms, please remember to use your name as it appears on your government issued ID. If you go by another name just add that name in "parenthesis" on your registration form. Don't forget to include your birthdate.

We look forward to traveling with you.
