

Donor Bench Program

The Raleigh Parks, Recreation and Cultural Resources Department is proud to offer our citizens the opportunity to honor and remember their loved ones by donating a bench to a City of Raleigh park or greenway trail. The first step is to read the Donor Bench Program guidelines then mail, or e-mail a request form to:

City of Raleigh Parks, Recreation and Cultural Resources
ATTN: Ashley Deans, Resource Development Manager
PO Box 590
Raleigh, NC
27602

OR: Ashley.deans@raleighnc.gov

1. Our best effort will be made to install a bench in your desired location; however, Raleigh Parks, Recreation and Cultural Resources reserves the right to determine the final location of donor bench.
See Attachment A- Costs associated with a Donor Bench
2. The final location will be determined at the discretion of the Urban Forester. Benches must be installed on municipal land. For the purpose of this policy, municipal land means any city owned, maintained, and/or controlled property.
3. Raleigh Parks, Recreation and Cultural Resources cannot guarantee that a Donor Bench will not be removed in the event that a Park Master Plan or other construction dictates landscape changes.
4. Donor benches will become City of Raleigh property and therefore we will be responsible for all care and maintenance.
5. Following the submission of the request form, the Resource Development Manager will contact appropriate parks staff with the donor's preferred bench location. The applicant will be contacted to set up a meeting on site to confirm location.
6. Parks, Recreation and Cultural Resources staff will order, assemble and install the bench in the approved location. Park benches available for donation are approved and selected based on department standards.

Donor Bench Program

7. A customized park bench plaque is included in the cost of the donation. Plaques will be provided and installed by Raleigh Parks, Recreation and Cultural Resources staff. Proposed wording is subject to approval. Plaque inscriptions must adhere to 6 lines of text, up to 24 characters per line including spaces. We cannot, however, insure the plaque against acts of vandalism or failure as a result of environmental conditions.
8. Raleigh Parks, Recreation and Cultural Resources will put forth its best effort to ensure that the donor bench is properly maintained during the period of establishment. We cannot, however, insure the bench against acts of vandalism or failure as a result of environmental conditions.
9. Raleigh Parks, Recreation and Cultural Resources will provide one replacement donor bench and donor bench plaque at no cost to the applicant. We will attempt to replace the tree with the same size and species; however, we reserve the right to plant an alternative species and/or size.
10. **All** donors will receive a letter of appreciation containing the following information: general description of where bench was installed, acknowledgement of the person being honored, and date of the bench installation.
11. A copy of the donor bench letter of appreciation will be on file in the Parks, Recreation and Cultural Resources Department for future reference. In addition, a comprehensive list of all donor trees with the location and name of the honoree will be maintained.

Donor Bench Program

Attachment A-Costs associated with a Donor Bench

The benches are made from recycled materials in cedar color. The cost of the standard park bench that is placed in most parks and greenways is \$400 and includes a commemorative plaque.

An upgraded standard park bench on wrought iron base that may be placed in the Raleigh Rose Garden, Fletcher Park, or Nash Square is \$1325 and includes a commemorative plaque.

Donor Bench Program

Donor Bench Request Form

With a donation, Raleigh Parks, Recreation and Cultural Resources will install a bench on municipal lands in honor or in memory of your loved one, friend, or co-worker. This bench will provide the park or greenway trail with an extra amenity by helping Raleigh Parks, Recreation and Cultural Resources continue to create a healthier more sustainable Raleigh.

We will send a personalized card to inform recipients that you have made a gift to plant a tree in their name or you can elect to have a plaque erected for an additional cost.

Name of Donor _____
