

## Blue Ridge Road Corridor Health Impact Assessment

**We want to know what health concerns you may have about the Blue Ridge Road area.**

1. Please identify and rank three health issues that pose the most risk to the people in the Blue Ridge Road Corridor (think of adults *and* kids, rich and poor, residents and visitors etc.). Place a 1 by the biggest health problem, 2 by the second biggest, and 3 by the third biggest.

\_\_\_ Overweight/Obesity

\_\_\_ Lack of safety due to crime

\_\_\_ Diabetes

\_\_\_ Lack of safety due to heavy traffic

\_\_\_ Heart issues

\_\_\_ Can't afford good medical care

\_\_\_ Asthma/breathing problems

\_\_\_ No place to buy healthy food

\_\_\_ Unhealthy eating

\_\_\_ No place to get physical activity

\_\_\_ Low levels of physical activity

\_\_\_ Mental stress

\_\_\_ Smoking

\_\_\_ Depression

What other concerns should be listed? \_\_\_\_\_

3. Our team will soon schedule several focus group meetings to discuss health concerns throughout the corridor and to **collect feedback from partners, such as you**, on health issues that should be addressed by the Health Impact Assessment. If you would care to participate in one of these meetings please provide us with the following information:

Name: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

Please describe your connection(s) to the corridor (Resident, business owner, official etc.):
