

RALEIGH URBAN DESIGN CENTER Designing a 21st Century City
A Division of the Department of City Planning

WHAT IS YOUR VISION FOR THE WEST MORGAN AREA?

Plan to participate in one or all of the following design workshop opportunities:

1. **Design Workshop**—work with facilitators and designers to illustrate on maps and models future neighborhood character and how it corresponds to current regulatory control. Neighborhood character issues include the public realm/streetscapes, open space/pedestrian connections, setbacks, land use/density, height, parking and thoroughfares/multimodal transit.

AND/OR

2. **Design Workshop Update Presentation** —check in midway through the design workshop on the work-in-progress. Hear about the issues raised as community members, facilitators, and designers create maps and commentary will be used in the West Morgan Area study publication and presentation to City Council.

DESIGN WORKSHOP

Friday, April 23, 5:00 p.m. – 7:00 p.m. Design workshop kick off. Raleigh Urban Design Center, 133 Fayetteville Street, Suite 100.

Saturday, April 24, 9:00 a.m. – 9:45 a.m. West Morgan study area tour. Meet at Charlie Goodnight's parking lot. Designers will lead the brief tour and point out issues of interest and discussion.

Saturday, April 24, 10:00 a.m.—6:30 p.m. Design workshop. Raleigh Urban Design Center.

Lunch provided by Irregardless Café. Thank you!!
